

When one of my brothers suggested I should try a The Ten Most Wanted Card. I filled out the card with ten names of people I was willing to pray would accept Christ. With shame I admit I was skeptical this would work. Fortunately, God only asks that we be obedient. I was 62 before I accepted Christ and one of the people on that list was my wife of 44 years. She had told me that it was all right for me to accept Jesus but not to preach to her. After the card was filled with the names I prayed everyday for the people on the list to accept Jesus as their Savior

Over the next year to my utter amazement everyone on the list, including my wife, had accepted Jesus as their Lord and Savior. I am still a card carrier and no longer to my amazement it still works. If you haven't filled out a 10 Most Wanted Card please try it.

Want to find a ministry you can start on your own, you just found it.

This is your first ministry, of many ministries. One man at a time. One card at a time.

God only asks that we be faithful. Do what you can do and leave the results to Him.
