

UNDER THAT TREEThe same tree!

THE YEAR WAS 1991. My life was spinning out-of-control. I was on my knees in my backyard about 2am "Under That Tree" weeping uncontrollably, that I cried out to the Lord to save me! I had made a mess out of my life and beneath that Mulberry tree I turned over everything I had (my wife, my 2 sons, business, home, what little money I had everything!). That night, coming face to face with my desperation and depravity (sin) I utterly submitted myself (repented) to my Savior, Jesus Christ. I surrendered my life and committed that I would never turn back. Several months earlier I had water baptism and made a profession of faith in front of a large church congregation, but it wasn't until that "dark night of my soul"*Under That Tree*.....that God took possession of me. My life changed.....it has never been the same!
