Dear Ministry Partners,

We, the board of directors for E2 Foundation, in conjunction with Jerry's accountability group, are writing to you about an important update in Jerry's ministry. We know that you are among many who have benefited from his ministry over these many years.

After much prayer and consideration, we have asked Jerry to take a sabbatical period to provide him with time for rest and recuperation as well as more uninterrupted time in Bible study and contemplation.

Bible study leadership, countless interactions with men and the year-long retreat speaking circuit have been a great blessing to Jerry and although his health remains good, we see the need for him to have a more concerted time to rest and focus more deeply upon Bible study, reflection, and prayer.

This decision was not made lightly as we know just how much fellowship in the Word with all of you ministers to Jerry. But our goal is to ensure that his ministry remains fruitful and a blessing, both to him and to you. Therefore, Jerry is currently on sabbatical from all ministry activities for what is anticipated to be 6-12 months. We will update you in the near future as the timeframe becomes more explicit.

We ask that you join with us in understanding this necessary time of rejuvenation, and that you would participate with us in prayer for Jerry, Gail and their family. We pray that the Lord would provide our brother with strength, energy and revitalization through this special time of prayer, study, contemplation and meditation on the Word.

For the cause of Christ,

The E2 Foundation Board of Directors
