San Diego FCA Camp Highlights

Duante Johnson had a breakout year as the FCA Liberty High School President. He took his faith seriously through baptism and grew into a strong leader in his youth group at WALK Youth and on his school campus as a student-athlete. He was honored with an FCA Camp Scholarship, where God met him and blessed him with likeminded relationship.

FCA Camp Highlights

Testimony from one of our Camp Leaders Kaylie Phillips:

I got baptized in San Diego alongside my best friends I made at FCA Camp. Originally, I wasn't planning to even make the trip because I wanted to get baptized at my home church (WALK Church), but God put it in my Heart

FCA Camp Highlights

This year, we were able to provide scholarships to 8 student-athletes and have Flag Football Coach Johnson with us, who used his gifts at FCA Camp. We were also able to send Camp Huddled Leader Kaylie Phillips to be a light to all her girls while at camp.

to not only go to Camp to support my brothers and sisters but to get baptized myself! Since camp I have felt so much happier and lighter, like a weight lifted off my shoulders. The relationships I built while at camp are some that will last forever and I thank God everyday for bringing me to these people as well as closer to Him. I am so grateful that I got to share this moment with all of them and I pray that HIS light can shine through me onto others. Thank you Jesus, Amen

Fun fact: Kaylie was my FCA student at Liberty High, and as a freshman in college, she made Team USA B-Team for Flag Football.

Liberty University FCA Camp Highlights

FCA Camp at Liberty University was a huge win! My senior pastor, Heiden Ratner, was our Camp speaker as he preached God's word to over 1,400 student-athletes. I was able to witness Hundreds of students profess Jesus as Lord and Savior. Hundreds more rededicated their lives to Jesus. Hundreds more responded to a call to ministry. We had many moments to minister and engage in the faithful work God was doing at Camp. Nothing like it!

Summer Worship Night Hang FCA Foothill High

Foothill Student Leaders led a Summer Worship night at the park. FCA President Daniel and Central Youth Leader Aaliyah led in worship. Malachi, the youth leader at WALK Youth, brought God's word, and yours truly provided the pizza with your generosity. I'm encouraged to see God use these young leaders to make Him known.

Jorge Hernandez FCA Las Vegas Area Rep

I appreciate your prayers and support; because of your support, we can continue the ministry God has given me. God bless you, and thank you for reading.
